Regarding: Release of historical utility data

Please consider this authorization for David Carter, Yvonne Cook, Ryan Hamel, or Kurt Foley of the Kansas Energy Program to obtain historical data for account number [REDACTED] with utility [REDACTED].

The Kansas Energy Program will use this information as part of an educational program for students to benchmark the energy performance of the school building. Please provide copies of the actual bills, as shown in the example, so students can learn how to read a utility bill.
